

The background of the cover is marbled paper with a complex, swirling pattern in shades of cream and light brown. A decorative border, consisting of multiple parallel lines, is tooled into the paper in a gold or light brown color. This border frames the title and year.

FOREWORD . . .

“IT WAS THE best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us . . . in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree only.”

We, the members of the Acorn staff, realize full well the period of uncertainty and chaos in which we of this generation live. Therefore we have dedicated ourselves to the task of producing a yearbook that will portray for its readers our school life in its “superlative degree” of excellence. We have no other desire than to capture some of those incidents that now seem so infinitesimal in our mad-cap lives and to preserve them for the quieter moments of the future; for when we become gray and rotund, we shall fully realize the treasure that was our school life. It is then we shall be grateful for a book that has immortalized that life.

It has been our express purpose—and it is our sincere hope that we have succeeded—to produce a book whose value will increase rather than decrease with the passing years. That value lies in the fact that in the years to come you may open this book; and as you turn the leaves you may recall your former pleasures and friendships when you see yourselves and your friends living in a perfect state of happiness—happiness in the “superlative degree.”

DEDICATION...

YEARBOOKS are depositories of pleasant and rich memories. One of the richest memories that we as students have had is the personal contact with our former teacher Mr. Arthur F. Agard. Mr. Agard retired from his position as head of the English Department of the Alameda High School in June, 1940, after having been a member of the faculty continuously since 1908, with the exception of the year 1935-1936, which he spent in Europe.

Classroom association with our delightful Mr. Chips was a rare and illuminating experience. Through his scholarship and his insight into all phases of humanity we gained a new perspective of life and society. By this dedication we gratefully acknowledge the enriching influence of those hours which were spent with him. Those of us who had the good fortune to attend one of Mr. Agard's courses will find in the whimsical letter on the next page a picture revealing more of the personality of this charming gentleman than could any product of the photographer.

Mr. Agard's genius for gaining fresh vistas for himself and those about him is well exemplified by the message which he gave his fellow teachers when he retired—

*"And now the sun had stretched out all the hills
And now was dropt into the western bay.
At last he rose and twitched his mantle blue
To-morrow to fresh woods and pastures new."*

—JOHN MILTON.

MR. CHIPS SMOKE S

My dear Youngsters:

Some time ago, I had to have my driver's license renewed. The man so fussed me that seemingly everything was wrong. He called me an unqualified social menace. I feebleed that for over twenty years I had never had any accident at all. Then he deflated me. "Other people must have been very intelligent." Somehow, that snappy come-back has ruffled the spirit ever since, but I still chortle. Now to make good use of this. You know I taught at Alameda High School for more than thirty years and without serious accident to anybody, as far as I know. Yes, the other people must have been very intelligent. You youngsters were better than that. You were tolerant, you were kind, you were loyal, you gave me friendship, you made me feel a part of your endeavor. I am enriched by it all.

One of the truly awful things about being old is that every now and then some trusting youth—some editor of the Acorn, for instance—expects words of wisdom to be produced immediately. A worse thing is when the oldster tries to do it. I find the demand more disconcerting than to arrive at school and suddenly to discover that the teeth have been left at home on the piano. No, perfunctory wisdom, otherwise stuffiness, is the eighth of the Seven Deadly Sins.

To be on the shelf is a blessed experience, provided the shelf is big enough and has a bit of padding. Time does not hang heavy for me. There are such wonderful things to know and love, so many things to be a part of, amusing things to do, so much goes on within and without oneself. Do you remember Leonardo's great phrase, which you will find often in his notebooks, "A great love is the daughter of a great knowledge"?

In other words, the more one knows about anything or everything, the greater the love and joy in it. I think at times younger people make a mistake by thinking that they must like something

HIS PIPE . . .

before they are willing to learn anything about it. To be sure, knowing and liking march best when they are hand in hand. There are so many things to which I am now indifferent or dislike simply because I don't know anything about them. I am learning and having much fun in it—therefore living. Now, this is wisdom, or at least it is my panacea, and it isn't stuffy, either.

Yes, the hills to walk in, the homely zests of physical well-being, the movies to analyze, endless books on everything, beautiful music if one will but listen, lectures by the really trained, old friends to quicken remembrance of experiences shared, newer ones to freshen outlook, the changing joys of the out-of-doors, the preparations for a long trip somewhere. Sometimes at the end of a full day when I haven't done half the things planned, I swear softly. I think such swearing is really a curious obverse kind of prayer for more fullness of living.

You ask for my picture. No indeed! Fat and worn and elderly ex-school teachers should not be "took." There should be a law against it. The Acorn should have pictures of starry-eyed pretty girls, of manly boys looking straight forward and with chins up. Lots of them! I might suggest in place an art study of a lily because it doesn't toil or spin, or of an orchid because it lives on water only, or of a tritoma, commonly called "red hot poker". Any of these might be called my "soul portrait." On second thought, I exclude a "red hot poker" because that is more appropriate to funerals—such a delicate attention to the corpse.

As ever your friend,

Arthur F. Agar

MR. BRYA

THE ALAMEDA HIGH SCHOOL is known as a friendly school. Students who come to our school from other cities greatly appreciate the friendliness of our students and teachers. New members of the faculty are likewise impressed by the friendly atmosphere of Alameda High School. We should all strive to strengthen ~~them~~ and perpetuate in our school the friendly spirit that means so much to the happiness of students and teachers alike.

On returning from a walking trip through the countryside, David Grayson said, "It grows more wonderful every year how full the world is of friendly people." He was referring to the many real friends he had made on that trip. He made those friends because he approached people with a friendly smile and a willingness to be one of them, to share their troubles and their joys. We can all make friends if we meet those about us with a smile, a greeting, a courtesy, or some other thoughtful act. Most men and women esteem and value

N'S MESSAGE . . .

nothing so much in this world as a real friend. In giving his final word of advice to Laertes, Polonius has this to say,

*"Those friends thou hast, and their adoption tried,
Grapple them to thy soul with hoops of steel;
But do not dull thy palm with entertainment of
each new-hatch'd, unfledged comrade."*

Keep alive and make enduring those true friendships that you make during your high school years. Carry on a correspondence with your friends when they are away, send little notes of thank you for a service rendered, remember special days or special occasions with a word of greeting, or give a helping hand when it is needed. The "Acorn" with its individual pictures of seniors, with its many group pictures of clubs, of teams, of classes, and with its record of a full year of high school life is a book that every student should have. Students should have it because it will bring back to them in later years memories of the many friends of high school days.

To the staff of the "Acorn" and to Miss Crever and Mr. Briscoe, faculty advisers, I extend my sincere thanks for their hard work in preparing the book and my congratulations upon the excellence of the finished product.

THE ADMINISTRATION of the Fall term, 1940, under the capable leadership of President Bud Bowman, launched itself with the prime purpose of building athletic spirit throughout the school and securing enjoyable student meetings.

We know that we were successful in the promotion of school spirit. This latter fact was made self-evident when our football team defeated Berkeley for the first time in twenty-three years. For this achievement the team was awarded gold footballs.

We feel that we secured student meetings which were of interest to the entire school. Some of our outstanding meetings included a lecture by Dr. William Henry Allen, a naturalist, who showed very interesting pictures of wild life on the desert, and a travelogue by Dr. William G. Paden on the discovery of the San Carlos trail. Another enjoyable and popular meeting was given by the Richfield Reporters, Don Forbes, John Watt, and Wayne Miller, their editor, who each told of a different phase of radio newscasting.

Nevertheless, the greatest achievement of our administration was the beginning of a new era in sports in the Alameda High School. After our football team defeated Berkeley, our basketball team won the A.C.A.L. League championship. If for no other reason, the administration of the Fall, 1940, will go down in the annals of Alameda High School as one which promoted school spirit and sports.

The whole administration is to be complimented upon its efficient and capable handling of the multitudinous problems always confronting a student body. Special mention should be given Joye Prickett, who several times wielded the gavel in a most business-like manner. Dick Halliday saw to it that the financial condition of the administration was always in order and Bill Mills, our yell leader, created some new and interesting yells for which we are grateful.

IN THE SPRING TERM of 1941 our chief offensive was to build new spirit and maintain that which was already established. The plan of attack was twofold. Through the assistance of the Student Faculty Committee the best meetings for student enjoyment were planned, and support of teams competing for the Gold and White was urged. We feel that we were successful in our athletic aims because of the gratifying turnouts which followed our championship basketball team and because of the large number of participants in the spring sports: which include tennis, track, swimming, baseball, golf and crew.

Our success has not been purely athletic. The student meetings have met a high standard and, furthermore, we have encouraged student participation in meetings for we realize that it is by doing that we learn. We feel that in presenting Mr. Hassfield, world's champion typist; Mr. Herb Caen, widely read columnist of the San Francisco Chronicle; and Mr. George Hudson, one of the world's foremost tennis coaches, that we have met high standards. We should like to compliment the Star and Key Society for sponsoring the W. P. A. Northern California Symphony Orchestra this term and to thank the faculty members who helped to prepare the Student Talent Program.

All credit accrues to President Alan Weeden and his administration. President Weeden has worked tirelessly for the good of the student body. Carolyn Johnson, our vice-president, has assisted graciously all term. Dick Halliday has made every effort to keep accurate minutes. Also, we wish to compliment financial secretary Lee Parker who kept us within the limits of our budget. Jack Hughett, our ever active yell leader, has kept up the enthusiasm at student meetings and during competitive sports — for this we salute him.

HISTORY OF THE CLASS OF JUNE 1941

FOUR YEARS AGO we entered this school as bewildered freshmen who were determined to be one of the outstanding classes of Alameda High School. Today we have reached our goal; graduation is at hand. What has our class done to be a success? The evidence follows:

We have given a number of eminently successful social events. Our Life Saver Hop provided fun and a pleasant evening for everyone there. We gave the Ski Prom which was a great success, largely due to the efforts and originality of the manager and co-manager, Jim Sutherland and Norma Bruns. Our senior play was "Spring Dance," a light comedy, produced under the direction of Mr. Lloyd Sisler. Those who attended enjoyed the play and appreciated the work done by Jane Yocco and Jim Sutherland in the leading roles, as well as the fun and support furnished by Betty Floyd, Howard Freeland, Billie Thorpe, Gloria Hammer, Armitte Kimbrough, Charlotte Klingel, Alden Smith, La Von Sproat, and Marion Moss. Some of the success of all our projects must be attributed to Armitte Kimbrough and his wealth of ideas for advertising.

A number of our members have become well known throughout the school. Bud Kern and "Shep" Abbott played wonderful football; Leo Thomas earned block letters in baseball and basketball and played on the football team; Alan Weeden broke several records in swimming. Armitte Kimbrough, John Goerl and John Cole were representatives to Boys' State convention. Jane Hoxie and Jane Yocco were the representatives to Girls' State convention. Norma Fascilla has made herself well known to all of us by her lovely voice. Elwood Hart has distinguished himself in art. Eva Bertero, Beth Craddock, Irene Cappa, Irene Kuske, and Doris Schwarz were R.O.T.C. sponsors.

Yes, we had a grand time, but we also studied. Twelve members of our class are life members of the C.S.F., and a large number are members of the Star and Key Society. Honors go to Gloria Hammer, our Valedictorian, and to Gwen Wong, who took second place in scholarship in a class of over three hundred.

Now, under the able leadership of president Ben Anderson, we end our studies at Alameda High School. We would like to thank our teachers for their help and support in all of our projects. And now, to all, we leave our best wishes and a fond farewell.

AS FRESHMEN we entered Alameda High School as dazed and confused as any freshmen could possibly be. Our first year was spent getting adjusted to our new surroundings. We did this under the capable leadership of Harold Thomas in our low freshman term and under Bill Walker in our high freshman term.

When we were low sophomores, Bob Bruns was our chief executive. Under his able leadership we held a successful candy sale and we published a class paper; in both of these projects Bob had the whole-hearted support of the class.

George Price took over the reins from Bob Bruns. During this term we gave our "Soph Hop," known as the Leap Year Hop. Under the management of Sheldon Burton and Muriel Mouchou, the hop was a definite social and financial success, thus further establishing our reputation as "money makers."

Sheldon Burton was our president during our low junior term. This was a "Circus Day" term, and we had a glorious time. We made money by selling peanuts, and then walked away with the first prize for our "medicine show" float. Much of the credit for the float goes to Richard Shaw and Raymond Allen whose clever thinking and hard work produced the winner.

Our high junior administration was headed by Antone Ratto, and it was responsible for the

traditional Junior Prom. Under the management of Walt Hutchinson and Vera Willey, the "Indian Summer Prom" was a huge success. All who attended remarked on the beautiful harvest decorations which adorned the walls of the gym. Again we must thank Richard Shaw for the southern harvest mural which gave color and life to the end wall, and Willard Lotter, chairman of the orchestra committee. Without doubt this prom was one of the best ever to be given.

Our star athletes, Ed Mazzini and Bill Powell, who turned out for both football and swimming, have further contributed to the outstanding qualities of our class.

Now in our low senior term under Bill Mills we have given our senior play, "Tovarich." Under the direction of our dramatics coach, Lloyd Sisler, "Tovarich" was admittedly one of the finest plays, both in entertainment value and dramatic talent ever to be produced in the Alameda high school. Carol Moss and Louis Ghiglione who did excellent work in the leading roles, were ably supported by Vera Willey, Walter Hutchinson, Kay Ohanneson, Jeff Larkin, Bill Powell, Joy Hargreaves, Faye Davis, Frances Trejo, Alfred Booth, Carolyn Spaeth, Dick Halliday, and Earle Parkinson.

With the coming of the next Acorn, we will be nothing but the "Class of January, '42," but we hope that our fine record will live on after us.

WE, THE CLASS of June '42 being one of the largest classes in school, have had our share of social activity. We presented the stupendous "Tropical Prom" under the sole management of Knox Kirkland and Emily Bennett. We appreciate, too, the gracious help of the 3B advisors as well as "Pop" Goldman and Bert Getz with his stage crew. Other students who participated in the success of this dance were Ernie Schneider, the chairman of the Advertising committee; Jean Norton, chairman of the Theme committee; Glenn Coffey, chairman of the Refreshment committee; Lee Parker, chairman of the Bid committee; and Sherrill Connor, chairman of the Decorating committee. We are also proud of Lee Parker, who represents our class as Financial Secretary of the Student Body and Jack Hughett, the A. S. A. H. S. Yell Leader. We also introduced for the first time in Alameda High School, the

Junior Sweater of brilliant red material with the white block '42 in the center.

In Sports we boast more than our share of good athletes. Among them are the captain of the 1941 football team, Bob Bierwith; the captain of the 1941 track team, Bill Beckwith; and the most valuable basketball player of the 1941 basketball team, Jack Anderson. Other outstanding athletes are Walter Moreno who made the all-county basketball team, Bill Roth who was destined as another all-county basketball player but due to an unfortunate accident was in the hospital during the basketball season, and many other good basketball players such as Bob Pollen, Bill McCauley and John Bud. In track McMullin who all qualified for the A.C.A.L. finals. Lee Parker was also a member of the qualifying relay team. Ross McMullin won first place in the 440 relay team of all Juniors in the finals.

We are looking forward to our senior year. We hope to produce an excellent senior play and some interesting senior Jackets.

THE CLASS of January, 1943, under the capable leadership of the class officers, has been successful in all class ventures and activities.

We gave our Sophomore Hop, the Bell Hop, in the fall term and through the efficient management of Margie Zirbel and Vivian Ursin, we scored a triumph. This term we presented a movie during the noon hour, and since this was a new idea, it was a complete success.

Besides these social achievements, we have taken an active part in the athletics of the school, for we have participated in nearly all sports.

Furthermore, we are a class which is high in scholastic standing.

When we return in the fall of 1941, we shall have grown enough in stature to take the places in athletics of those who will graduate this June. We shall try, also, to give the students one of the best Junior Proms ever held.

We would like to express our appreciation and gratitude to the members of the faculty, especially the 3A advisors, who have helped and guided us.

SINCE WE entered Alameda High School, the class of June, 1943, has been one of the most active classes in the school. We feel too, that we shall remain in predominance for our two years to come.

Our class has been represented in almost every phase of the school activities. In the various sports, football, baseball, golf, track, and swimming. Also in dramatics, and in the Red Cross, the president of which belongs to our class, and was sent to Washington, D. C., to represent our school. We also have many presidents of the language clubs. As you can see by our records, we have a lot of school spirit and are interested in everything that is going on.

The last year has been a success financially, as we had a couple of joint events, a dansant, and a candy sale, with the present high frosh class. We made money from the sale of book covers, and from that record-breaking "2B or not 2B Dansant." And another success to our long list was the unforgettable "Scotch Hop" managed most ably by Barbara Roth, Shirley Kihn, Bob Burke, and Noel Smith.

We, the class of June, '43, would like to express our thanks and appreciation to our 2B Advisors: Mrs. Layton, Miss Williams, Miss DuBois, Miss Powers, Miss Gamble, Miss Cooke, Mr. Briscoe, Mr. Saunders and Mr. Bromley.

At the beginning of our 2A term we helped President Bruce Burton and his newly elected administration give the lowly 1A's an initiation which will long be remembered by them. We also gave a socially and financially successful danc-sant with the 1A's.

In sports we have boys out for football, basketball, swimming and other sports. We

WHEN THE CLASS of June, 1944, entered Alameda High School, it was its wish to participate in as many school activities as possible.

During the low freshman term the class gave a dansant and a candy sale, both of which were very successful.

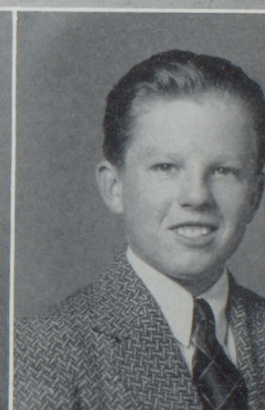

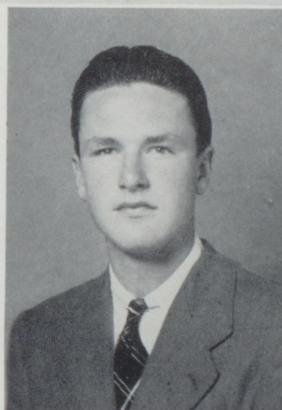

Two of the class members, Charles Carver and Roy Thomas, were on the B team in football which is an unusual record for low freshmen.

On becoming high freshmen the class was still enthusiastic about becoming active in all

school affairs. Another enjoyable dansant and a successful candy sale. This spring the high freshmen were still in the athletic limelight. Conway Catton, who played on the varsity tennis team, made a very fine showing and will probably become the backbone of that team next season. Scott Walker and Edward Evans were both members of the varsity track team.

Our class has a very high scholastic average at the present time and we intend to make every effort to keep this record all of the way through the Alameda High School.

ALTHOUGH the mighty seniors probably would never admit or cannot remember that they were once lowly freshmen, it is a fact to be faced because we all have to start as freshmen.

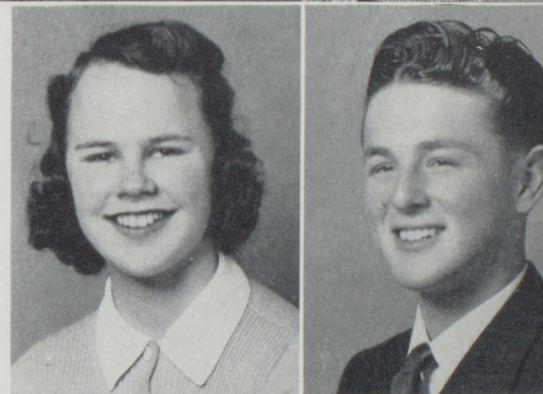

While we have not been here long, we have hopes and ambitions as to what we would like to contribute to the school. We have been keeping our eyes open and have observed how the school is run. We hope to carry out the traditions, customs, and rules.

As evidence that we are interested in class affairs, twenty-five of us were candidates for

class offices which, we believe, speaks well for a low freshman class of one hundred eighty-six members.

In an effort to bring enjoyment to the students of Alameda High, we joined forces with the 2A's in giving the most successful dansant of the year. With President Leland Johnstone handling the gavel, we held a class meeting which was an important forward step in the perfection of our class organization.

We find the academic work interesting and are taking part in the various extra-curricular school activities. We intend to do our part and we sincerely hope the school likes us as well as we like it.

THE AC

THE SUDDEN inactivity which pervades the Acorn Office can be indicative of but one thing: the 1941 Acorn is completed. Without the wholehearted cooperation of the entire staff it would have been impossible to publish the book on schedule. Each and everyone of the staff should be included on the list of those who deserve bouquets. Appreciation should be especially expressed for the encouraging and untiring supervision of Miss Crever; for the hard-headed business suggestions of Mr. Briscoe; for the timely aid of Mr. Bryan; for the kindly help of Mr. Agard; and for the friendly interest of the student body in general.

As I think back on the last few weeks there is a doubt in my mind as to the probability of anyone having been able to foresee the various incidents, pleasant and unpleasant, which were encountered before the Acorn went to press. To those brave enough to enter the Acorn office prior to the printer's dead-line, the office must have appeared a proverbial madhouse. However, the necessity for haste brought the staff together into a closely-knit, properly functioning organization. With the knowledge that our part in the publishing of the Acorn is fulfilled there is relief, but greater regret that our work together is finished.

We have devoted our best efforts to publish an Acorn of which you will be justly proud. The football games, the basketball games, the track meets, the senior play, and other unforgettable events of this year at Alameda High School will be recalled to you as you peruse the pages of this 1941 Acorn. We are reminded of Shakespeare's line, "He is well paid that is well satisfied," as we express our hope that you will enjoy this Acorn as much as we have enjoyed working on it.

LAST YEAR the students read of the reopening of the "Oak Leaf"; this year you read of its closing because of insufficient funds for publication. Last semester at this time five issues had been printed while this term we have printed but one. Many schools have one issue every month, some schools have a weekly, and one has a daily edition. With a school as large as ours and with as many students as we have, we should have at least one paper a month.

The management has written to all of our exchanges to secure information concerning their financial methods. Many good ideas were received and with these and your whole-hearted support we believe we can bring you a better paper than ever. As you know most other schools have a paper, so, let us keep right on top with our own "Oak Leaf."

DRAMA

GLEE CLUBS

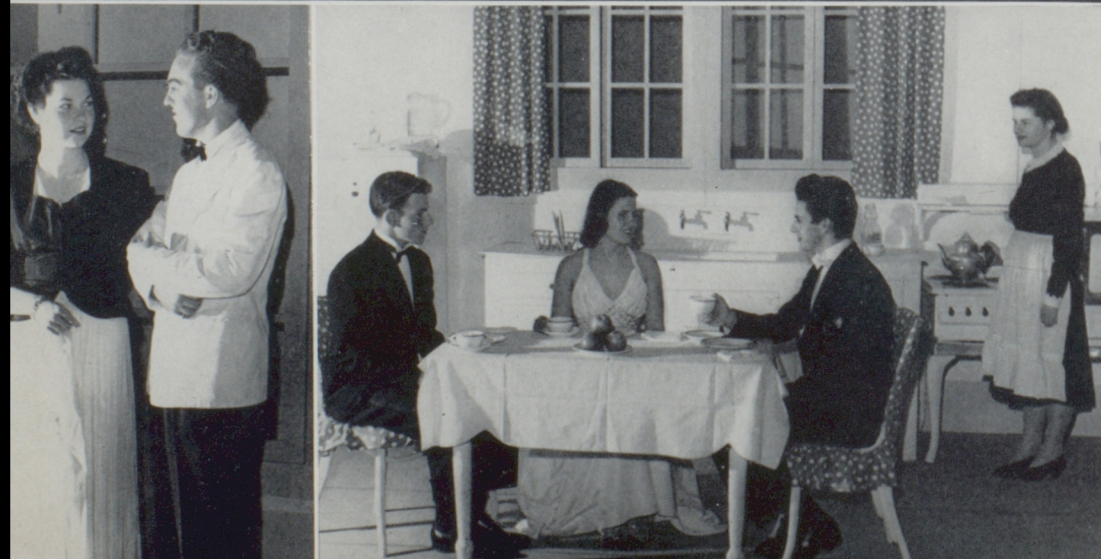

ORCHESTRA

THE DRAMATICS Department of Alameda High School has acquired a new name. The title, "The Players of The Mask and Sandal," has been chosen to be the production name for all the Drama classes. The "Players of The Mask and Sandal" have been very busy this past year with all types of plays, monologues, and sketches. The class of June, 1941, presented the three act play, "Spring Dance," the Class of January, 1942, presented the well known "Tovarich," and the Dramatics Department and the High Senior class, jointly, presented "Once in a Lifetime." Aside from these more spectacular efforts, a number of programs, consisting of one act plays and monologues written by the students themselves, were presented to a select audience. A few plays have been presented at Student meetings and were greatly enjoyed.

Students spend the time in the first semester of Drama in acquiring some of the fundamentals of dramatics such as an improved speaking voice, the habit of better posture, and an understanding of some of the problems of stage lighting, settings, and design.

The study of stage design and the actual production of stage sets is under the direction of Mrs. Dorothy Layton. Under her supervision the class in stage design produced a most unusual setting for the Christmas pageant and also some attractive sets for "Once In a Lifetime," "Tovarich," and other plays.

All dramatics productions are under the direction and supervision of Mr. Lloyd Sisler, an excellent teacher and a capable director. He is to be congratulated on the fine work he has done thus far. Bigger and better shows are ahead for each year as long as he remains our director.

At times the drama classes, the music classes, and the class in stage design collaborate and then we have something as thrilling as the Public Schools week production of "Ballad for Americans," or as scintillating as "The Firefly," or as beautiful and meaningful as the "Christmas Pageant."

THE CLASSES in ensemble singing are directed by Mrs. Hazel Hunter. In the spring these classes prepare and present the annual operetta. During the fall term, the big event is the Christmas program. The Glee Clubs have been in existence for some years, but the choir is new. Requirements for the choir are (1) one year in glee; (2) a musical voice, determined by a tryout with Mrs. Hunter; (3) a serious attitude toward music.

CAROL BRUMM

THE HIGH SCHOOL band and orchestra, which are under the able direction of Mr. John F. Kafka, have many activities. The band plays for rallies, games, and student meetings as well as for civic affairs such as the Fiesta. The orchestra plays for the operettas and senior plays. A student may join the advanced orchestra or band after he has played for one or more quarters in the junior orchestra. There is also the ensemble of twenty members picked from the orchestra. In 1938 the band won a high place in the state band tournament, and in 1940 they won a gold cup for playing at the World's Fair.

THE STUDENTS who are pictured on these pages were selected by the High and Low Senior classes from nominations made by the Acorn Staff. THE COACHES TAKE A DAY OFF

UNKNOWN to most of the students of Alameda High School, our coaches do not devote all of their time to physical education.

Coach Lewis Jolley, head of the P. E. Department, finds much enjoyment in gardening and he has had great success in producing flowers worthy of any show.

Chris Freeman's greatest joy is his young son with whom he spends much of his time. He also has a darkroom wherein he fosters his photographic hobby, a modernly equipped workshop, and a large collection of rocks and minerals.

When Golf Coach Virgil Gilcrease has a day off he plays golf. He has his own course near Lake Tahoe, where he develops his game during the summer and also gives lessons to vacationers.

Bob Carlton, Football Coach, enjoys building and sailing boats. He also finds a great deal of pleasure in deep-sea fishing. During the school year, when his hobbies are limited, Mr. Carlton plays tennis and reads good novels.

Coach Hal Eifert is a lover of good music. He also devotes some time to reading and in the summer he enjoys traveling. Last summer he visited Mexico and this year he plans to tour the United States.

FOOTBALL

WE MAY be justly proud of our 1940 football team for our team of last fall not only won five games and tied one of the eight games played, but also it ended the "Berkeley Jinx" by defeating Berkeley 12 to 6. Before the season began, Coach Bob Carlton was forced to train a completely inexperienced team, with the exception of three or four men. At the beginning of the season our gridgers trounced Commerce High, an undefeated San Francisco team, who had played two previous games. The remaining pre-league games were also won. However, when our team entered

the league season, we met with less success by dropping two of the five games played.

The splendid team of last year was made possible through teamwork of the squad and the outstanding playing on the part of such players as Bud Kern, a three letter man and last year's captain; Ken Ward, who was chosen all-county guard; Ray Costa, a sparky end; Jim Sullivan, who called the plays; and Hal Fredricks, an all-round athlete. We owe much to our yearling squad of last year. Coached by Chris Freeman, our "goofs" went through their season undefeated, although they were tied in two of their games.

BASKETBALL

PERHAPS the pride of all of our school sports for the past year is our Hornet Basketball team, for this year our cage team placed first for top honors along with Richmond.

Much credit is due to Coach Virgil Gilcrease who managed to shape a championship team from only one of last year's letter-men. The body of our A.C.A.L. winners was constructed around the nucleus of Leo Thomas, chosen all-county guard, and Jack Anderson, chosen the most valuable player by the members of the team. To set the pace along with these two cagers were Jim Powell, a shifty floorman; Dick Gonsalves, a

lanky back-board ace; Ed Souza, a tricky dribbler; Hobart Fellows, a driving ball handler; Walt Moreno, Alameda's highest scorer; John Wada, a splendid forward; and Bob Pollen, a dead shot from center court.

Although this was the first championship team for some years, it appears as though it will not be the last because the possibilities for next year appear exceptionally favorable. Besides the returning of many veterans of this year's cage team, there will be many players who will have graduated from the class "B" squad. Our yearling cage team coached by Hal Eifert was not quite as successful as the varsity. This year's "B" team finished fourth in the A. C. A. L. standing.

BASEBALL

THE ALAMEDA HIGH School baseball team has been under the able coaching of our own Hal Eifert. Mr. Eifert, former California varsity player, has done an excellent job of coaching the varsity and the 130-pound team.

Reserve strength for the Alameda ball club this year was stronger than ever before. Next year, if the reserve strength is any indication, Alameda will be sure to cop the A. C. A. L. League Title.

At the beginning of the season it seemed apparent that Alameda High School would win another Alameda County Athletic League championship. In the non-league games Alameda was victorious in every instance. With the start of the A. C. A. L. season the team scored victories over Berkeley and Richmond in the first two league games. However, the next three games, one with Berkeley, one with Richmond, one with Hayward, destroyed our hopes for these three games were lost by small margins.

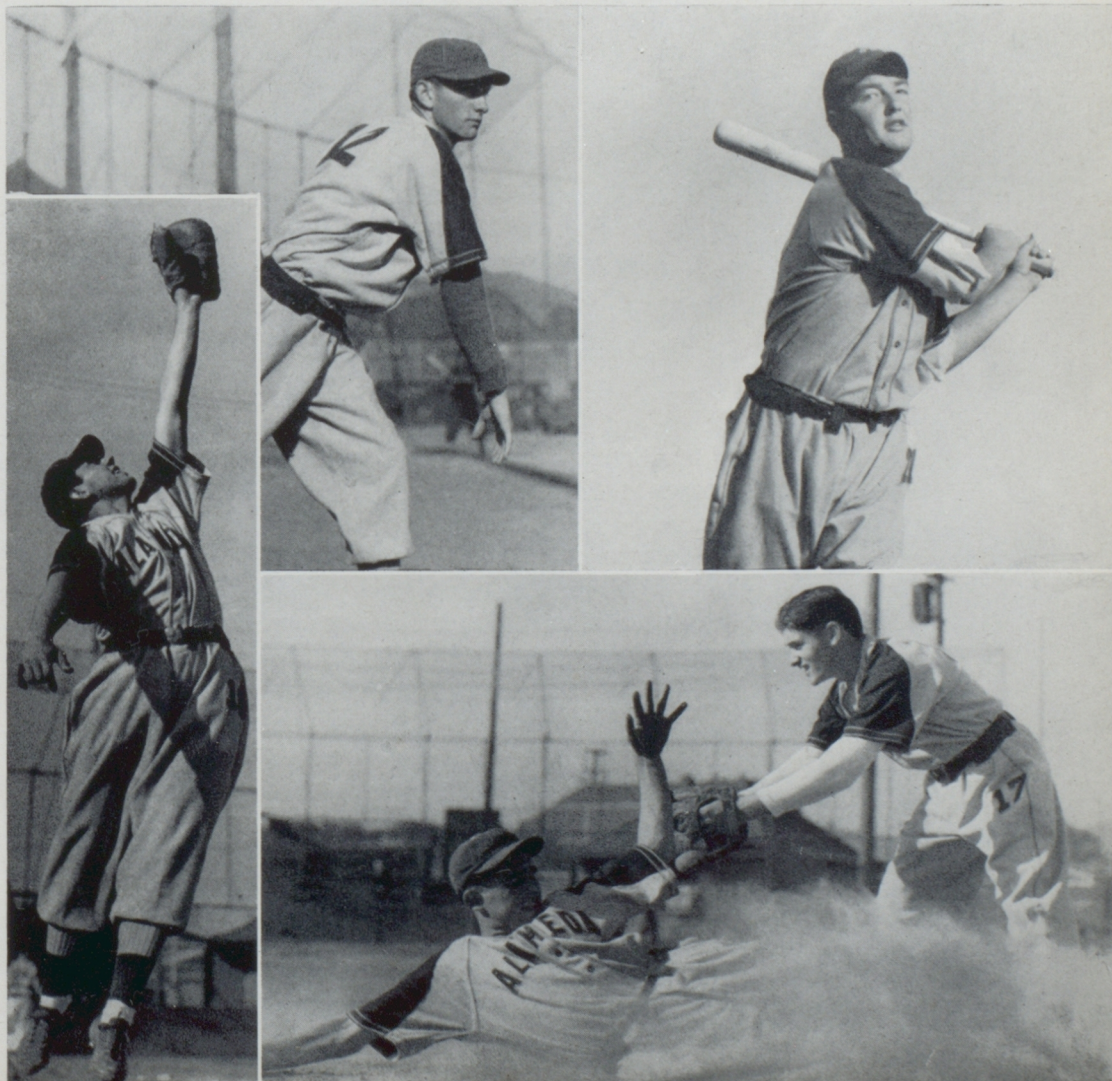

Next season such men as Leo. Thomas, "Dude" Carvin, Antone Ratto, Ed Souza, Ernie Filipelli, and Jim Powell will be missing, but Coach Hal Eifert may rely on Harry Curlett, Bill Serena, John Ward, Mike Korich, and Dean Hamilton to fill these vacancies. Ray French, Jim Pingree, and Willard Lotter will also return.

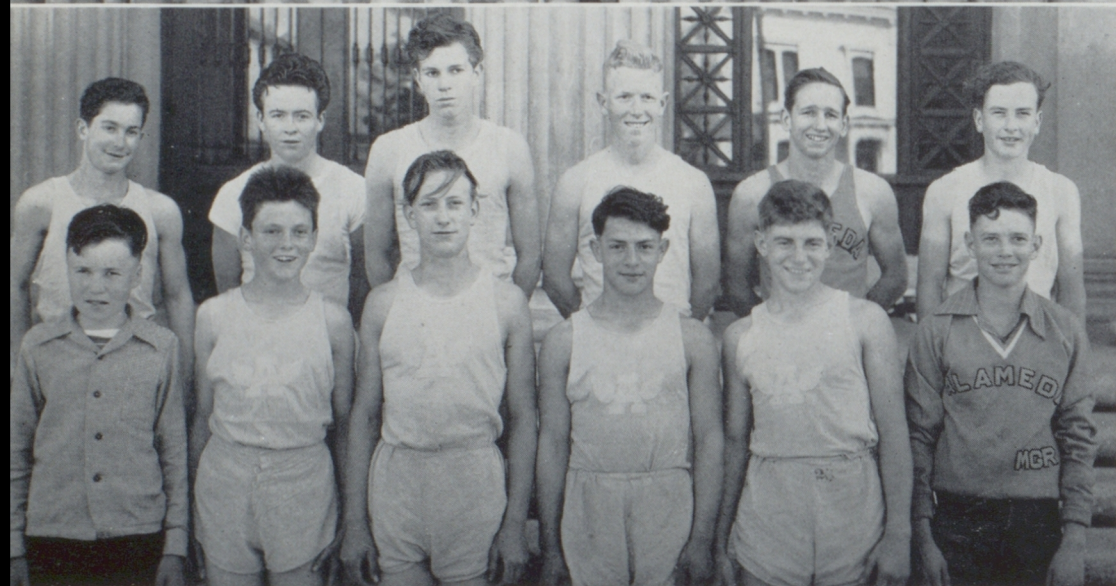

The probable success of Alameda's baseball team can be accounted for by the remarkably high batting average of the whole club and by the close team work exhibited when each man functions as a part of a whole machine. Alameda's 130-lb. division is seeking a title in its own separate league. As yet the yearlings have not dropped a game.

TRACK

ALTHOUGH our Track team failed to win the majority of its meets, the student body may feel content with the vast improvement that was shown this year. Coach Lewis Jolley was forced to work continuously with an entirely new team in order that they might develop some form for the season. Though it lacked good distance men, the team had numerous sprinters and field men. Included in the team this year were many men who were consistent point winners. Some of these point winners who should be mentioned are Harvey Miller who ran a consistent 100-yard dash; Bill McIlveen, a good

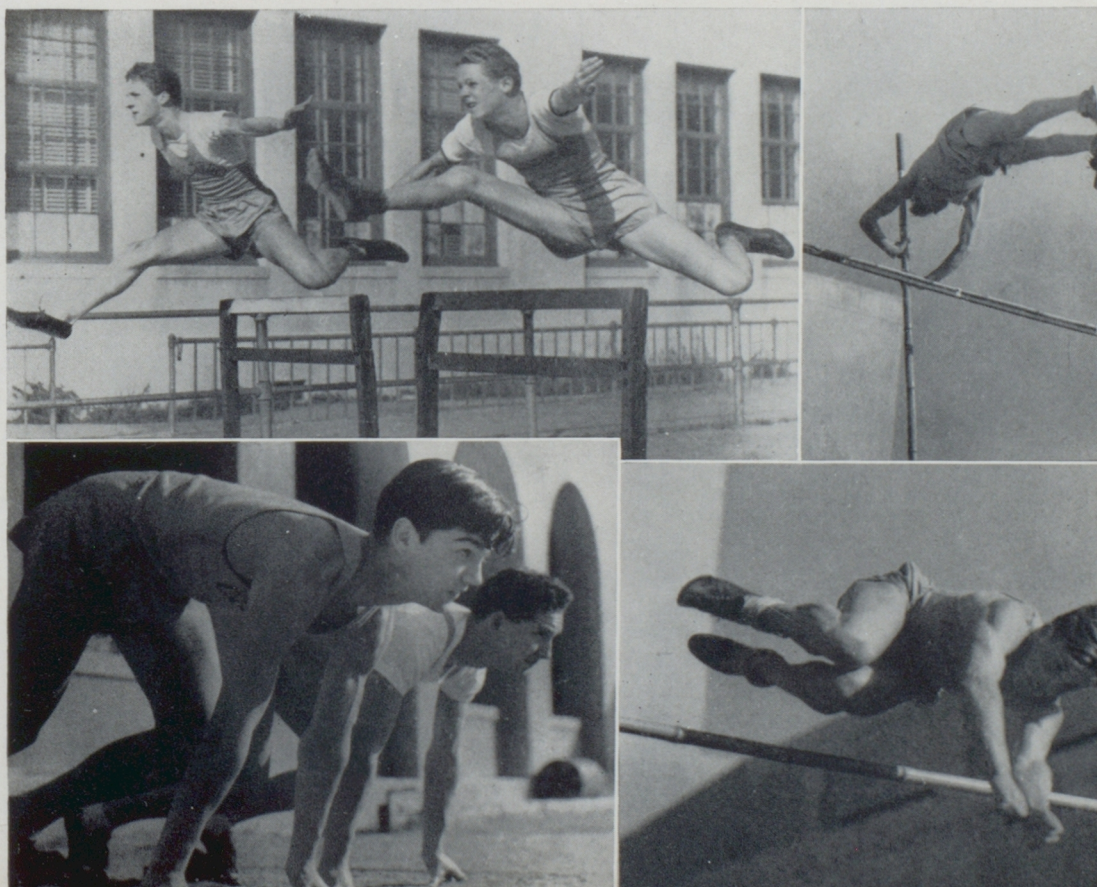

220-yard man; Knox Kirkland, our best pole vaulter for this year; Charles Seger, a good 220-yard man and broad jumper; Ross McMullin, Alameda's 440-yard man who came in first in the Alameda County Athletic League meet; Jack Van Allen, who came first in the high jump at the same meet. Alameda also had an unusual "C" team. Three of the members qualified for the North Coast Meet held at Vallejo on May Seventeenth; Bob Watson in the 440-yard, Robert Burns in the low hurdles, and Kingsley Morrison in the 50-yard and 100-yard dashes.

The Vallejo meet offered exceptionally stiff competition for a high school meet. Ross McMullin, Alameda's 440 man, placed second in the morning trials. Bob Watson of the "C" team also placed in the 440 trials.

Only a few of this year's track team were seniors; the greater part of them were juniors and lower classmen. At the beginning of this year some thirty freshmen tried to find a place on our track team. It is hoped that these ambitious youngsters will try again because many of them will be of great value in another season. A considerable number will probably graduate from the 130-pound team to varsity squad competition. Coach Lewis Jolley may well look toward a successful season next spring.

CREW

AT THE beginning of the year it seemed that crew at Alameda would be a memory due to the Atherton code, but through the generous help of coaches Ky Ebright and Russ Nagler of U. C. a shell was obtained. The next problem was that of obtaining a coach, but Lee Cavanaugh, veteran trainer and producer of many championship crews, volunteered to take over the job. At this writing our crew has had but two races, and these were lost both times to the powerful, second-string California frosh boat by a small margin. The crew consisted of John Goerl, stroke; Pertti Lindfors, captain; Paul Worthy, Miles Nesbit, Bob Rhodes, Ken Mirk, Warren Clothier, Dave Galovich, Leon Bach, coxswain; Leonard Reifenstein, substitute, and Jack Lobengerg, substitute coxswain.

PERTTI LINDFORS

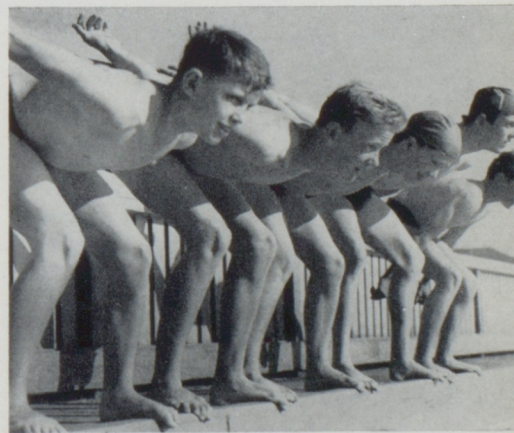

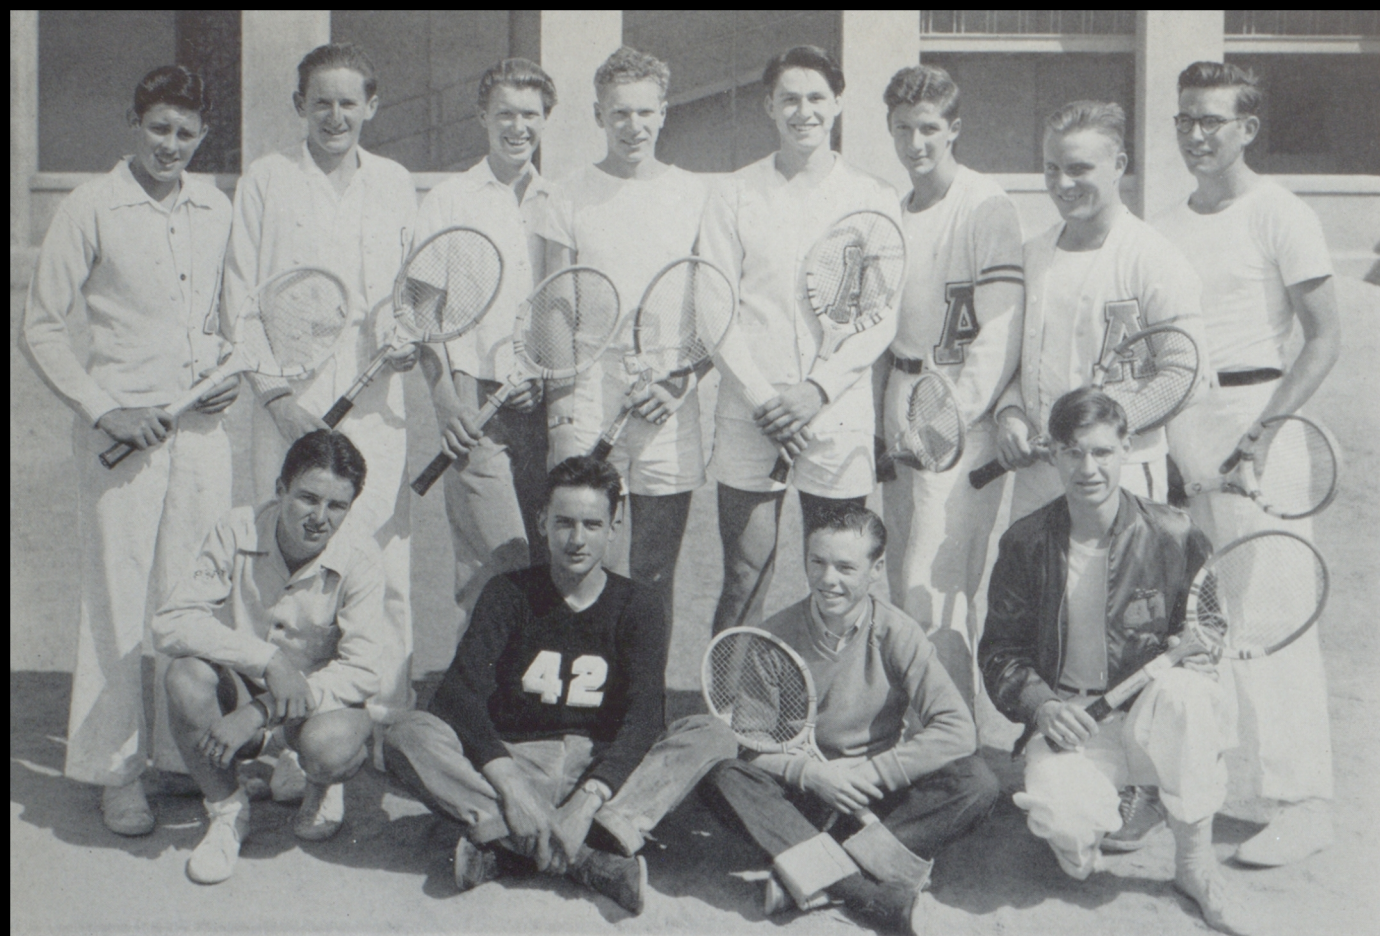

SWIMMING

WHILE THIS article was being printed, Alameda's Swimming team was on its way to a probable second place in the A. C. A. L. rating. The outstanding mermen who composed this year's squad were: Jack McAuliffe, a Junior who set a record in the breast stroke; Russ Carlson, a merman who will return next year to swim the 100-yd. free-style; Tony Castaldo, a senior, who can fill any position; Durward Denny, who made his block this year by swimming the 220-yd. freestyle; Fred High who will be missed from next year's team; Alan Weeden, a four letter man, who broke the North Coast backstroke; and Jack Weeden, a newcomer to the varsity swimming team who shows fine possibilities.

JOHN GOERL

TENNIS

ALAMEDA'S TENNIS team is looking toward second place for A. C. A. L. honors. Though the Hornet men, coached by Bob Carlton, failed to connect in several league matches, the remaining contests appear to be easy victories.

There will be only two men from among the top eight men of this year's team who will play next year. Those men who will graduate and who will be missing from the team's ranks are Hobart Fellows, Bob Whitney, Bill Korn, Ben Anderson, Eugene Baker, and Dick Sabotka. The two returning men are Conway Catton, the net man who will probably lead next year's ladder, and Harry Hedges, a junior who will be of much value to the team.

GOLF

ALAMEDA'S GOLFERS are on their way to the winning of the A. C. A. L. championship. In the three matches that have been held thus far, Alameda tied Piedmont on the Highlander's course, defeated Richmond by the score of $16\frac{1}{2}$ to $11\frac{1}{2}$, and trounced Berkeley 18 to 0. Alameda's 1941 golf team was mainly composed of seniors. The first ranking man of this year's squad was Eddie Fry, a junior and the first Alamedan ever to win the California North Coast Junior Golf Championship. The other men who ranked among the top six of the team are as follows: Alden Smith, Rod Mastick, Art Pollard and Ernie Kellberg.

ONE OF THE largest organizations in the Alameda High School is the Girls' Athletic Association. The only requirement for membership is an active participation in various G.A.A. sports. The girls look forward each term to the semi-annual play day which is held in one of the east bay schools. This year the Federation Play Day, at which every high school is represented, was at Technical High School. Other play days were held at San Francisco State, the California School for the Deaf, and the University of California. The sports in which girls may participate are pictured on the following pages.

THE ALAMEDA HIGH School chapter of the C. S. F. takes special pride in the fact that we have had one hundred thirty-three students eligible for membership this term. This number has never before been equalled.

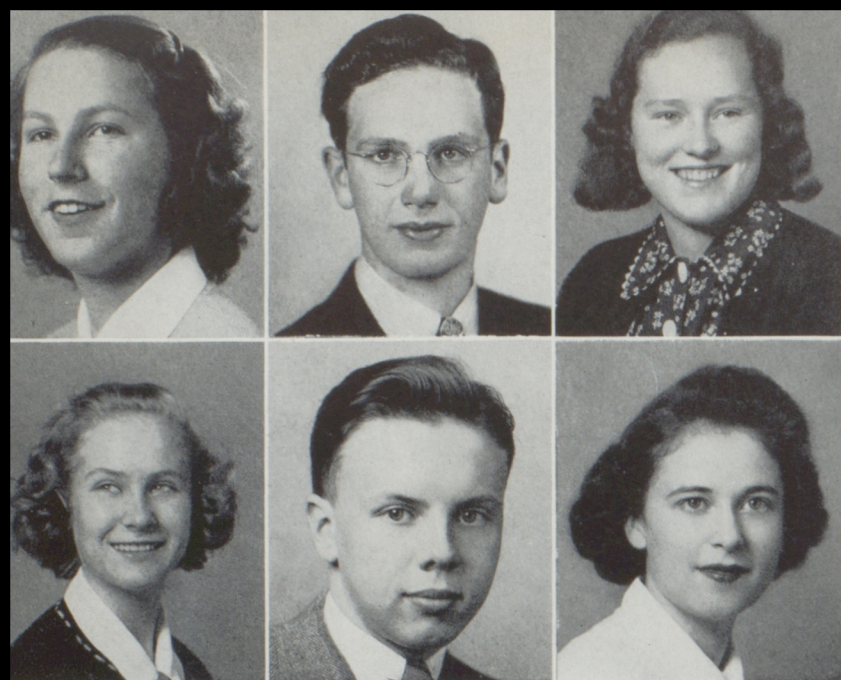

Our activities have also been outstanding this semester: . . . a party at the home of Mr. Reginald Saunders, our advisor, another at the home of Kenneth Smith, an opera party, the State Conference at Turlock, and the District Convention at Albany.

Our president, Helen Correa, has been one of the best. Being an active executive, she planned exciting things for the club nearly every week. She assisted Mr. Saunders in installing a new C. S. F. chapter (Chapter 334) at Acalanes High School in Lafayette.

The requirement for life membership in our organization is four terms of membership, with one of these terms in the Senior year. Life membership entitles the student to the gold pin award and a gold seal on his diploma. This gold seal is given special consideration at the state colleges and universities, so it is eagerly sought by those contemplating higher education.

Spring: Lenore Oehlmann, Paul Cox, Carol Brumm, Dick Besoyan, Judy Cleland, Jean Anderson, Pertti Lindfors.

THE STAR AND KEY Society dates back to 1915 and is still one of the most active organizations in the Alameda High School. This term the society sponsored a symphony orchestra for one of the student meetings, and also purchased a set of reproductions of the murals by Miguel Covarrubias which portray The Pageant of the Pacific. They show the peoples, the animal life, the native dwellings, and the agricultural and economic interests of the Pacific Area. Requirements for membership are term honor roll standing and twenty-five cents dues. Membership during any four non-consecutive terms or three consecutive terms entitles a student to life membership in the organization and a red seal on his diploma. In order to distinguish their members the society created the Star and Key pin. This pin symbolizes the name and shows the star whose brilliance lights the way to fame and achievement and the key which unlocks the portals of success and discloses the riches within.

LE CERCLE FRANÇAIS

LE CERCLE FRANCAIS is one of the largest and most popular clubs in Alameda High School. It has one hundred paid-up members at the present time. Meetings are held the second Thursday of each month after school. At these meetings entertainment and refreshments follow the business of the day. The membership fee is only twenty-five cents a semester. The money collected is used for refreshments at the meetings, for an annual Christmas Party, for a gift to the school, for posters, games, French travelogues, and some social service work. All persons interested in French are cordially invited to the meetings regardless of membership in the organization.

The activities planned for the coming term are a dansant at which an Apache dance will be the attraction, a theater party, a joint-meeting with French Clubs from other schools, and knitting for the British War Relief. The purpose of the club is both social and educational. It is the hope of the officers that many will attend the gatherings as an extra-curricular activity to enliven and add color and experience to their study of French.

THE LATIN CLUB of Alameda High School has prospered for many years under the very able direction of the club advisor, Mrs. Ambrosoli. This club is one that seems lesser in prominence but in the future, with the rapidly growing spirit of the Latin Club, we are sure we will head the list of the clubs in the school.

Our ranks of membership are increasing every term with each new group of freshmen, but we urge all Latin students, freshmen or not, to get in on the games and refreshments which we have at every meeting. The meetings are held every two weeks, and all who have not as yet attended, are invited most heartily. The aims of our club are not only to promote good feeling among the members, and keep up school spirit, but to provide a more understanding knowledge of the classics and a cultural background for each member.

THE INCREASED interest in the study of Spanish throughout our country at the present time has been reflected in the meetings of the Spanish Club, both in the attendance and in enthusiasm. The meetings of the Fall term, under the capable direction of President Gordon Miller and his fellow officers, were outstanding in their appeal to the members. The final meeting of the term, the annual Christmas party, was voted the most interesting of all.

During the Spring term, President Peter Vallerga has shown ability as a leader, and, with the help of the other officers, has provided excellent meetings. At a recent meeting popular Mexican songs sung by Juliette Perez afforded pleasure to those who attended. Spanish games, instrumental music, and a moving picture have been features of other meetings.

The members of the Spanish Club wish to congratulate the officers and the committees of the club who arranged the entertaining and instructive programs during the school year 1940-1941.

ONE OF THE OLDEST and most outstanding organizations of the Alameda High School is the German Club. It has a grand membership of thirty, and is under the able sponsorship of Miss Hannah Oehlmann. At Christmas and Thanksgiving, the members provide the children of one of our more unfortunate families with toys, games, and a generous basket. But this is only one side of the German Club. The other consists of a grand round of fun, food and entertainment. Every two weeks the members gather in room 212 for the regular business meeting after which refreshments are served and games played. Every Christmas a gala party in the holiday spirit is held at the home of one of the members and German food is served. Each spring when the wild flowers are just beginning to bloom and the students begin to get that "lazy day" fever, the annual German Club picnic is held. This year it was at Marsh Creek with swimming, hiking, riding, and a swell weenie roast.

THE GIRLS' BLOCK "A" Society is composed of girls who have attained the highest athletic awards in girls' sports. Our society stands ready at all times to help all G. A. A. activities.

During the fall term, pom-poms were sold for the Martinez and the Berkeley football games. At Thanksgiving time we helped the Boys' Block "A" Society finance food baskets for the needy families in Alameda, and at Christmas, dolls were donated by the society to the P. T. A., who distributed them among needy children.

This term we sponsored a pencil sale. The pencils were enameled white and had the words, "Alameda High School" printed on them in gold letters. More of these pencils will be sold in the future.

Each term the members put aside one-third of their dues in a reserve fund to be used for some future worthy cause.

THE BOYS' BLOCK "A" Society was organized in 1924 and since then has steadily grown to be one of the outstanding organizations in the school. A student, in order to qualify for membership, must win a letter in some school sport and must have a "C" average in all his school subjects. These requirements have done much to raise the standard of the society.

During the past year the Society has participated in many activities in and out of school, such as ushering at California football games, keeping order on the field at our own games, and conducting school rallies.

Nothing was enjoyed more than the day when the boys worked to make sixty-four Thanksgiving baskets for the needy families throughout the city of Alameda. Our work was made possible by the generous donations of the merchants and the gym classes.

With such a spirit of cooperation in the Society and with new members coming in this June, the group will undoubtedly move on to bigger and better things next year.

THE STAMP CLUB — The Stamp Club is one of the most interesting clubs in school. At the regular meetings the members trade stamps and increase their knowledge of stamp collecting. This year eight of the members participated in a radio broadcast.

CHESS CLUB — The Chess Club has been revived by popular demand. The membership is increasing rapidly. The Alameda group has had several games with similar groups from nearby schools.

JUNIOR STENOGRAPHERS — Membership in this organization consists of seniors who are planning to enter the secretarial field. The members profit by contact with recent high school graduates who are now employed. The officers are: President, Dorothy Nicholas; Vice President, Gordon Wake; Secretary, Barbara Demek.

THE ALAMEDA High School Junior Red Cross has been an active organization for nearly three years. When it was only a year old two delegates were sent to the national Red Cross Convention at Washington, D. C. This year, for the second time, a delegate was sent from the Alameda High School.

Kenneth Smith was our delegate to the 1941 convention. From this convention, held at Washington, D. C., Kenneth brought back to the Alameda chapter a better understanding of the many world problems facing the Red Cross. On the return trip he took some excellent colored pictures of Washington, the Carlsbad Caverns, and the Grand Canyon. These have served as entertainment at several class and club meetings.

In accordance with the well known aims of this organization, the A. H. S. Junior Red Cross has been very active in sending help to Europe. Layettes have been sent and baby blankets are now being made to send to England.

CAFETERIA
STAFF

THE CAFETERIA of the Alameda High School celebrated its twelfth birthday on the fourth of March of this year. Each school day our cafeteria serves breakfasts and luncheons to about six hundred students. The staff of seven women and forty-one student assistants is under the capable management of Mrs. Cora Duncan.

AUDITORIUM STAFF — The auditorium staff serves whenever possible at student productions, graduations, and other programs such as Public Schools Week. From this group comes our box office crew, the doormen who must be R. O. T. C. members, and the usherettes. This entire group is under the supervision of Mr. Shriber.

THE GIRLS' ASSOCIATION of Alameda High School is an organization of which every girl is a member. Dues of ten cents a term are collected to secure interesting meetings for the association and for our joint meeting with the Student Body. This money also goes toward furthering the outside activities of the girls.

Each term it is customary to hold a Freshman Reception as a welcome to the freshmen and to the other new girls entering the Alameda High School. This term the Freshman Reception was well planned and carried out by its manager, Dorothy Burns and her committee.

As in the past, the Girls' Association has taken active interest in the welfare of the girls and it spends its money in some sort of work, gift, or activity for the school. We had a very successful spring term under the leadership of President Jane Yocco.

It is our sincere hope that the girls will always be as proud of this organization as they have been in the past.

AFTER BEING abandoned for quite a few years because of a lack of interest, the Men's Association of the Alameda High School was reorganized in the spring term of 1940 by John Kenny and his followers.

The officers, which include a president, vice-president, secretary, and yell leader, are elected each term. No dues are collected and hence no financial secretary is needed. Qualifications for eligibility for offices are as follows: upper class standing and passing grades in three solids exclusive of P. E. or R. O. T. C.

The aim of the organization is to build and maintain among the men of the high school interest in sports and a feeling that they are a part of the school. Since the reorganization of the Men's Association, there has been an increase in the number of students who turn out for sports as well as larger rooting sections at the games.

THE ALAMEDA HIGH School Reserve Officers' Training Corps was under the command of Colonel Harry A. Buckley for the greater part of the school year. By order of the War Department, Colonel Buckley was transferred to the Army's mechanized cavalry division stationed in Louisiana. His successor is Colonel Lawrence, whose able direction assures continued high standing for the Alameda High R. O. T. C. unit.

HEADQUARTERS STAFF

THE ALAMEDA HIGH School R. O. T. C. unit consists of approximately two hundred and forty members who are divided into four companies, the band and the staff. Under the guidance of regular army officers the student staff has charge of plans and training of the unit as well as the issuing of supplies.

The annual competition which was held this year at Thompson Field on May 28, always gives the student body a great deal of interest and enjoyment. Medals and trophies were awarded by various individuals and civic organizations for excellence of performance at the competition. Probably the Rifle Drill Down afforded the tensest moments of the day for the spectators as well as the R. O. T. C. men.

THE PURPOSE of this organization is to promote spirit and fellowship among the non-commissioned officers of the R. O. T. C. Meetings are held every other Thursday. At these meetings discussions are held concerning future events such as socials, dances, and dinners. Present on these occasions are Mr. McMullin, Mr. Thorpe, and Sgt. Fraser who give instructive military lectures. These meetings are very helpful to those members of the R. O. T. C. who intend to become officers of higher rank.

THE SWORD AND SHIELD Society was formed to develop further the social activities of the R. O. T. C. unit of the Alameda High School. The membership of the society consists of student officers and sponsors of the R. O. T. C. Many social activities such as progressive dinners, scavenger hunts, picnics, parties, and dances are sponsored by the society. The most important of these events is the popular Military Ball which is held each spring in the Alameda High School gymnasium.

ACKNOWLEDGMENTS

IN THE COURSE of the production of this Acorn many people have worked diligently for many hours. The Acorn staff, desiring to express its sincere gratitude to those people, dedicates this page to the acknowledgment of their services.

To Mr. Wilburn Smith and Miss Virginia Hull of the Oakland National Engraving and Gravure Company we extend many thanks for aid in preparing the photographic part of the book.

Mr. Donald Davis of the Press of the Courier is responsible for the fine printing which is to be found throughout our yearbook. We thank him for his patient guidance and friendly advice.

Mr. George Rutan of Colbourn Studios deserves much praise for his handy work with the camera and his friendly cooperation in the speedy return of proofs.

Mr. Piatt of Piatt Studios has been most generous in helping us to overcome several photographic obstacles.

Mr. Hill of the Bechtold Company was helpful in the selection of the Acorn cover.

The excellent binding of our book, done by the Bushman-Risen Company, is fully appreciated by the staff.

Mrs. Alma Pavid of the English Department rendered invaluable literary assistance for which we are deeply indebted.

Our principal, Mr. Bryan, has been helpful to us in many ways. His confidence and his constant encouragement have made our task both lighter and pleasanter.

The Acorn staff also wishes to thank those students who were helpful in submitting photographs for the candid page. They were Tom Gintjee, Ed Lahey, Bob Lorens, Kenneth Smith, Bob Roden, Patty Sayre, Ray Allen, and Prescott Kendal.
